

CHECKLIST FOR MOVING

If you're moving, there are a lot of things to remember. To make this a little easier for you, we are happy to help with this handy checklist.

Things to take care of in your old house

- Terminate the lease.
- Inform your current energy supplier and Vitens about the move.
- Submit the meter readings to the energy supplier and to Vitens.

MijnBundle

You can arrange a lot of rental matters easily online through **MijnBundle**. Schedule a repair, terminate your lease, or request co-tenancy, for example. Whereever and whenever you want. Without being dependent on our opening hours. Pretty convenient! You can find **MijnBundle** at www.bundle.place/mijn-bundle.

Want to borrow a moving trailer?

Moving to Bundle? You can borrow a trailer from **Domijn** for free. Nice! Call 053 - 209 22 09 to make a reservation.

Please note! There are only a limited number of trailers available. So make sure to reserve yours in time.

Area of People app

You will receive all announcements and notifications about Bundle @ Performance Factory via the **Area of People app**. This app also makes it easy to connect with your neighbors and the Bundle Team.

You will receive an email invitation for the app. Install it quickly so you don't miss anything!

Things to take care of in your new house

- Take out or transfer your liability and household insurance.
- Set up/change your subscription for television, internet, phone, etc.
- Register with your new energy supplier.
- Submit the meter readings for electricity and water to the energy supplier and Vitens.
- Notify the municipality of Enschede and all other relevant institutions of your move.
- Apply for housing allowance or update your application with the Tax Administration.
- Check if there is a waste pass in your new home. If not, request one from Twente Milieu for free within three months of your move (www.twentemilieu.nl/pasaanvraag).
