

CHECKLIST

Bundle

We need the following information from you

1

Your income for the year 2024

You can find this on mijn.belastingdienst.nl.

- 1 Log in to My Belastingdienst
- 2 Click on 'My details'
- 3 Go to 'Request income statement and view registered income'
- 4 Click on 'Income statement request' for the year 2024
- 5 Save the PDF that opens up

You can also call the tax hotline on 0800 - 0543

2

Your income details for the past 3 months

This can be a payslip. Or alternatively, for example, an overview of your expected income drawn up by your accountant.

3

Are you not yet renting a home from us?

Then ask your current landlord for a landlord's statement. This statement tells us about where you've lived before and how that has gone.

4

Do you live in a home you own or have just sold it?

Then send us a mortgage holder's statement. You can request this from your mortgage provider. This will state, for example, if you have had payment arrears.

5

Where have you lived?

Provide an Extract from the Basic Registration of Persons with a residential history. You can request this from the municipality where you currently live. Please note that you have to pay for this. Do you live in Enschede? Then you can choose to share this extract with us for free.

6

Do you have a guardian?

Then send us the order stating that you are under guardianship. They must also give permission for your move. Does your guardian agree? Then get them to put this on paper.
