CHECKLIST FOR MOVING

Moving means there's a lot to remember. To make things a little easier for you, we're happy to help with this handy checklist.

Things to take care of in your old home

- [ ] Terminate your lease.
- [ ] Let your current energy supplier and Vitens know you're moving.
- [ ] Submit your meter readings to your energy supplier and Vitens.

Area of People app

You'll receive all announcements and notifications via the **Area of People app**. The app also makes it easy to connect with your neighbors and the Bundle team.

You'll receive an email invitation for the app. Install it right away so you don't miss anything!

MijnBundle

You can easily arrange many rental matters online through **MijnBundle**. Schedule a repair, terminate your lease or request co-tenancy, for example. Wherever and whenever you want, without having to wait for our opening hours. Pretty convenient! You can find **MijnBundle** at **www.bundle.place/mijn-bundle**.

Want to borrow a moving trailer?

Moving to Bundle? You can borrow a trailer from **Domijn** for free. Nice! Call **053 209 22 09** to make a reservation.

Please note! There's only a limited number of trailers available, so make sure to reserve yours in time.

Things to take care of in your new home

- [ ] Take out or transfer your liability and contents insurance.
- [ ] Set up or change your TV, internet and phone subscriptions.
- [ ] Register with your new energy supplier.
- [ ] Submit your electricity and water meter readings to your energy supplier and Vitens.
- [ ] Notify the municipality of Enschede and any other relevant organisations of your move.
- [ ] Apply for housing allowance or update your application with the Belastingdienst (Dutch Tax Administration).
- [ ] Check whether there's a waste pass in your new home. If not, request one for free from Twente Milieu within three months of your move (**www.twentemilieu.nl/pasaanvraag**).
